More about the speaker:

Julie A. Goren, a Los Angeles attorney, wrote the first edition of *Litigation By The Numbers*® back in 1982, a few years after she had become a self-taught legal secretary. Having searched in vain for a book which would have taken the mystery out of California civil litigation and straightened out the steep learning curve, she decided to fill the need herself.

After self-publishing the first edition, Julie attended **Loyola Law School**, graduating with honors in 1987. She later held associate positions at the law firms of **Gibson, Dunn & Crutcher** and **Buchalter, Nemer, Fields & Younger** in Los Angeles.

In addition to keeping track of California's twice yearly rule, form, and code changes to prepare updates for *Litigation By The Numbers*®-*Fourth Edition* every January and July, Julie does presentations (in person and via webinar) on various topics, including: California State court calendaring; how to keep track of California's rules, forms, and codes; the California Electronic Discovery Act; and annual summaries of rule, form, and code changes. She has presented for the Los Angeles Paralegal Association, San Fernando Valley Legal Secretaries Association, Beverly Hills/Century City Legal Secretaries Association, NALS-Orange County, Orange County Paralegal Association, Redwood Empire Paralegal Association, Bay Area Legal Secretaries Forum, and more.
